During our lives,  
We have many an illusion  
Our hopes, fears, regrets, sorrows.  
Many of us imagine that  
The end of a good thing is final  
But in our growth as a unified body of human beings,  
I believe we can say this is only the beginning  
Of new life, future, hopes . . .  
Although we part physically,  
Our minds are forever linked by an unbreakable bond,  
Consisting of love and friendship,  
And strengthening with new dreams, and most  
Important a lasting understanding that  
True friends remain so.

# IN MEMORY

JAMES BOGGS

EDWARD ELLIS

STEPHEN G. RAYNES

Here we stand, at the threshold of our lives - the future beckoning to us and, yet, our pasts still reaching out, bringing memories of friends that have been lost along the path of life. Friends that have been lost, but will never leave us.

Some decisions have been made, and some yet wait in the distance. We are filled with anticipation of what the future holds at this time. A gentle reminder of three young men causes us to be still in the face of time, recalling those special people. Though they have left this world, they will always be very much a part of us.

The years ahead of us will quickly pass. For this moment, however, we will pause, as the soft breezes of remembrance pass over us and through us, bringing the knowledge that our friends are alive in our memories.

# MHS WELCOMES EXCHANGE STUDENT FROM AUSTRALIA

MARK BRANDON JENNINGS  
Age: 17  
Attended: Wavell State HS  
Brisbane, Australia

In January, MHS greeted a new student. His name is Mark Jennings; he is sponsored by his local Rotary Club for a year of study at MHS.

Mark describes his schooling in Brisbane as formal, with more traditional courses. Students wore uniforms and discipline included "Cuts" - a piece of cane about 12" across used on the knuckles. Ouch!!

Mark likes Squash, rock climbing, current affairs, reading, history, any type of music and backpacking.

Mark's choice of sports preferences varies from that of his counterparts in the US. Rugby League, Rugby Union, Soccer, Swimming and Cricket are his favorites.

New experiences are part of an Exchange Student's life, and Mark is no exception. Mark tried skating: the first time, he could stand up. The second time, he could move his feet. The third time, he actually skated. Eating clams was another new experience. Mark enjoys them. In Australia, clams are used as fish bait.

Upon his return home in January 1978, Mark will attend Queensland University in Brisbane, where he will be enrolled in the law faculty.

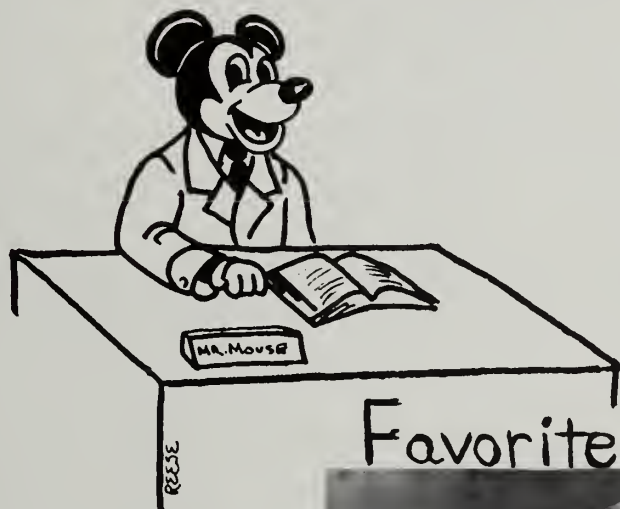

We wish Mark much success and happiness, both as an exchange student and in his future plans.

## MESSAGES TO THE SENIORS

KENNETH L. JOHNSON  
Principal

Years will pass rapidly. Cherish the friendships and the relationships that you have developed during your high school years.

A true friend is a priceless possession. Your friend is true because you see in that person the qualities with which you relate, share, and even emulate.

Extend this measure to others whom you have met or will meet. Goodness is not limited to a select few but is inherent in some way in all. As profoundly expressed by Edwin Markham:

"He drew a circle that shut me out -  
Heretic, rebel, a thing to flout.  
But Love and I had the wit to win:  
We drew a circle that took him in."

The whole secret of remaining happy in spite of burdens is to develop enthusiasm in oneself, by poetry, by contemplation, by charity - that is, in fewer words, by the maintenance of harmony in your soul. When everything is in its right place within us, we ourselves are at peace and in harmony with God. Deep enthusiasm for the eternal beauty and the eternal order, reason touched with emotion and a serene tenderness of heart - these surely are the foundations of happiness and wisdom.

To the '77 Timaron Staff:

Completing a yearbook is not an easy task. Untold hours of thought, discussion and hard work are involved. You have been terrific in all these aspects of "getting the job done." Your willingness to express ideas, to listen to and respect others and to do your best have made you a staff I will long remember. Thank you for being so dedicated to the goal of a great yearbook. Hopefully, the result is everything you deserve.

The Hurdler's stretch.

Anticipation.

Offense.

The Sachem Varsity Squad completed a disappointing but winning season by compiling a record of 5-3-2. Outscoring their opponents 179 to 126, the Sachems narrowly defeated Hull but rolled by the likes of Bridgewater Raynham, Duxbury, Cohasset and the long-awaited rival, Apponoquet.

Six members of the team were honored for their achievements on the gridiron. Named to the Taunton Gazette All-Stars were MVP Rick Frazier, Crispi Falconeiri and Paul "Butch" Callan. Standard Times First Team All-Stars included Frazier and Callan, with Falconeiri, Bob Levesque, and Steve Einstein being chosen for the second squad. Levesque was also honored with the Callan Award. Rick Frazier, Butch Callan and Bill Gillis placed on the South Shore League All Star team. Congratulations to these players and the entire team for their outstanding effort during the season.

Opening tip off.

This year's Boys' Basketball team got off to a slow start which set the pace for the rest of the season. Due to lack of experience, the Sachems were outmatched by better seasoned squads. Nevertheless, the players put forth their best effort, which will undoubtedly help next year's squad.

#### WRESTLERS PLACE 4th IN TOURNEY

The MHS Wrestling team, coming off a 5-9 season, placed fourth in the Marshfield tourney. The young, powerful team had six of its ten wrestlers place in the top four of their class. Individual stand-outs throughout the season and in the tourney were Bryan Bell, Rick Holdsworth, Mark Winslow, Mike Ekstrom, Scott Ekstrom, and Bill Libby. Highlights of the season were decisive wins over Norwell and E. Bridgewater and an upset victory over ever-powerful Marshfield. The young team looks toward the near future as they have only four members graduating and Wrestling gains in popularity.

# The 400 year old cran- berry

Cranberries were already 200 years old when John Hancock was signing the Declaration of Independence. They are definitely a part of our country's heritage, for they have the distinction of being a berry native to North America. Today when you enjoy one of the many Ocean Spray products made from the little red berry, remember, you are sharing in a small piece of our country's heritage.

The cranberry people.

A black and white photograph of a two-story wooden house. The house has a gabled roof with a large brick chimney on the left side. The exterior is covered in horizontal siding. There are several windows, some with shutters. A small porch with a metal railing and steps leads to the front door. The text "Good Luck to the Class of '77" is overlaid on the upper part of the image, and "JENNEY COAL COMPANY" is overlaid in large letters across the middle. The address "6 Vine Street Middleboro" is written near the porch steps.

The  
End!

PAT PEKARSKI

During our lives,  
We have many an illusion  
Our hopes, fears, regrets, sorrows.  
Many of us imagine that  
The end of a good thing is final  
But in our growth as a unified body of human beings,  
I believe we can say this is only the beginning  
Of new life, future, hopes . . .  
Although we part physically,  
Our minds are forever linked by an unbreakable bond,  
Consisting of love and friendship,  
And strengthening with new dreams, and most  
Important a lasting understanding that  
True friends remain so.
